FOR BEST RESULTS

- ☐ Home is empty or mostly empty so we can reach edges, floors, cabinets, and closets.
- ☐ Fridge and freezer are emptied before arrival.
- ☐ Cabinets and drawers are emptied before arrival.
- ☐ Water and electricity are on so we can clean properly.
- ☐ Access instructions are sent ahead of time.

QUOTED SEPARATELY WHEN NEEDED

- ☐ Trash haul-away or large item removal
- ☐ Mold, biohazard, pest droppings, or bodily fluids

This is not a quick wipe-down.

Empty homes show everything: baseboards, cabinet interiors, appliance grime, door frames, vents, edges, and the details most people do not notice until the light hits them. Our goal is to leave the home feeling cared for, ready, and professionally reset.
